

Year End Stewardship Packages

Thank Your Donors. Free Your Team to Focus on Fundraising.

Year end is your busiest fundraising season. Streamworks makes it easier to recognize donors with thoughtful, personal holiday greetings without adding another project to your team's workload. Choose from two stewardship packages, four professionally designed holiday card options, or a completely custom design.

Complete Stewardship Package

We Print, Personalize, & Mail.

The Complete Stewardship Package is best for Annual donors, members, volunteers, and broad donor stewardship audiences. A fully managed solution that gives donors a warm, personal greeting while saving your staff valuable time.

We create the look and feel of an individually signed card using realistic handwriting fonts and personalized signatures.

- **Print & Personalize Each Card**
- **Address Each Envelope**
- **Apply a Precanceled Postage Stamp**
- **Mail Directly to Your Donors**

*Simply Provide Your Mailing List.
We Take Care of the Rest.*

Personal Signature Package

*We Prepare Everything.
You Personally Sign & Mail.*

The Personal Signature Package is best for Mid level donors, major donors, leadership giving, and VIP stewardship.

Designed for donors who deserve an extra personal touch. We customize and personalize each card, then deliver the finished pieces to your organization so your leadership team can add handwritten signatures before mailing.

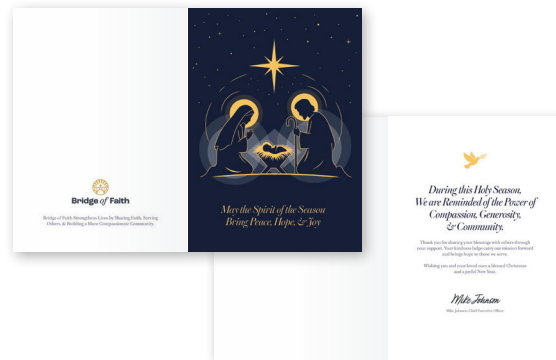

- **Customize with Your Brand**
- **Personalize with Donor Information**
- **Produce & Deliver to Your Office**
- **Ready for Your Team to Sign & Mail**

*Your Team Adds the Personal
Touch. We Eliminate the Design
& Production Work.*

One Stewardship Strategy. Two Package Options.

Many organizations use both packages: the Complete Stewardship Package for broader donor audiences and the Personal Signature Package for mid level and major donors. The result is meaningful stewardship that matches the relationship while making the most of your staff's time.

Choose from four ready to personalize holiday card designs or partner with our creative team on a completely custom concept featuring your branding, imagery, colors, and messaging.

Reserve Your Production Schedule

Make stewardship one less thing your team has to worry about this year. Order by October 15 to help ensure your cards are designed, produced, and delivered in time for the holiday season.
